

AHC-15

PA Horn Speaker for Vehicles

DESCRIPTION :

The Ahuja AHC-15 is a 15W PA horn speaker for vehicles.

Compact size coupled with Weatherproof housing makes AHC-15 versatile to be either mounted on the top of the vehicle or affixed in the hood/bonnet of the vehicle.

FEATURES :

- Ahuja introduces a compact and rugged horn speaker AHC-15 specifically designed for Automobile applications like Siren, Playback of pre-recorded content, or real-time reinforcement through the microphone.
- Modeled on one of the most successful and reliable horn speakers from AHUJA stable, SUH-15, the generous magnet assembly of AHC-15 delivers high SPL for a clean intelligible sound and effective penetration. It employs the same diaphragm and magnet assembly as used in SUH-15.
- Compact size coupled with Weatherproof housing makes AHC-15 versatile to be either mounted on the top of the vehicle or affixed in the hood/bonnet of the vehicle.
- Specially designed heavy-duty metal bracket, in addition to offering the most stable and road-worthy mounting arrangement for fixing AHC-15 on vehicles, also enhances ingress capabilities against rainwater.
