

## ALIVE 515

### Professional Active Loudspeaker

#### FEATURES :

- Attractive Plastic moulded cabinet. Product designed for use in a wide variety of PA and Musical Instrument applications.
- ALIVE 515 active loudspeakers has three inputs Input-1 is a balanced XLR combo connector which accepts signal through balanced XLR, stereo TRS or a dual RCA socket. Input-2 is a balanced XLR combo connector which is switchable between MIC & LINE.
- Active Tone controls for optimal shaping of desired Low/Mid/High frequency contents.
- Built-in limiter which is tuned optimally for speaker protection.
- Built-in MP3 player with BT facility.
- Built-in TWS facility.

#### SPECIFICATIONS :

|                       |                                                                                 |
|-----------------------|---------------------------------------------------------------------------------|
| Power Output (Bi-Amp) | LF: 450W RMS at 1% THD Class D, HF: 50W RMS at 1% THD Class D                   |
| Output Regulation     | 0.5dB, no load to full load at 1kHz                                             |
| Input Channels        | INPUT-1: LINE: 775mV balanced, INPUT-2: MIC 15mV balanced / LINE 775mV balanced |
| Frequency Response    | 50-20,000Hz $\pm$ 3dB                                                           |
| DSP Processor         | Built-in Preset for Speech, Music, Club / Dj, Live Sound Applications           |
| Signal to Noise Ratio | 60dB                                                                            |
| Tone Controls         | Bass: $\pm$ 12dB at 100Hz, Mid: $\pm$ 12dB @ 1kHz, Treble: $\pm$ 12dB at 10kHz  |
| Output                | Line output 775mV through M/XLR                                                 |
| Protections           | AC: Fuse 1 $\times$ 5A (T 5A L)                                                 |
| Power Supply          | AC: 220-240V 50/60Hz                                                            |
| Dimensions            | W425 x H730 x D410 mm                                                           |
| Weight                | 21.50kg                                                                         |
