

ARC G1

DESCRIPTION :

The Arc G1 by SM Professional is a high-performance outdoor speaker designed to deliver a wide 360° coverage area.

Engineered for permanent outdoor installation with a corrosion-resistant ABS outer body, the speaker can withstand nature's elements and abuse for years to come.

FEATURES :

- High-performance 30W outdoor speaker.
- Clear 360° sound with a wide coverage area.
- Housed in a corrosion-resistant ABS body for durability.
- IP56 rating for optimal protection from dust and low-pressure water splashing.
- Supplied with screws and brackets for quick installation and operation.
- Ideal for gardens and lawns in hotels, resorts, farmhouses, theme parks, and houses of worship.
