

## CDH-200

### PA Compression Horn Driver

#### SPECIFICATIONS :

|                        |                                           |
|------------------------|-------------------------------------------|
| Power Capacity         | 20W RMS                                   |
| Throat Diameter        | 25.4 mm (1")                              |
| Nominal Impedance      | 8Ohm                                      |
| Sensitivity (1W/1m )   | 105dB                                     |
| Usable Frequency Range | 3kHz-15kHz                                |
| Recommended Crossover  | 4kHz 12dB/oct                             |
| Voice Coil Diameter    | 25.4 mm                                   |
| Diaphragm Material     | Phenolic Resin                            |
| Voice Coil Material    | Round Copper Wire                         |
| Voice Coil Former      | Nomex                                     |
| Horn Material          | ABS with Glass Filled Black Polycarbonate |
| Nominal Coverage Angle | H100 deg x V80 deg (-5 dB)                |
| Horn Cut off Frequency | 780Hz                                     |
| Mounting Cutout        | W235 × H82 mm                             |
| Overall Dimensions     | W270 × H110 × D205 mm                     |
| Weight                 | 1.36kg                                    |
