

DA-80

AC & 24V DC Operation

DESCRIPTION :

The Ahuja DA-80 is an audio distributor with four line level stereo outputs or eight line level mono outputs. 19" rack mountable in 1U space and also usable as a table top unit.

Individual volume controls for input and eight output channels.

FEATURES :

- Sleek & compact 8-channel line signal splitter suitable for various large installations & PA applications. Recommended for use when a single programme source has to feed several amplifiers. Avoids signal loading and related distortion problems.
- Accepts line level Stereo/Mono input.
- Provides four line level stereo outputs or eight line level mono outputs.
- Individual volume controls for input and eight output channels.
- Clip LED for setting optimum distortion free input levels.
- Operates on AC mains and 24V DC Car Battery.
- 19" rack mountable in 1U space and also usable as a table top unit.

SPECIFICATIONS :

Input Channels	2 × 100mV/47kOhm
Outputs	8 × 200mV/470Ohm
Frequency Response	20-20,000Hz ±3dB
Distortion	< 0.1%
Signal to Noise Ratio	70dB
power Supply	AC: 220-240V 50/60Hz DC: 24V (2×12V Car Battery)
Dimensions	W483 × H43 × D178 mm
Weight	2.8kg

Specifications from the official Ahuja catalogue. Issued for customer reference.
