

SM 75XLR

DESCRIPTION :

The SM 75 XLR is a high quality microphone with a frequency response designed for speech, vocal and instrument miking.

FEATURES :

- Dynamic cardioid pickup pattern minimizes off-axis pick-up.
- Wide frequency response tailored to suit speech, vocal and instruments.
- Suspended cartridge shock-mount system to minimize handling noise.
- Low-failure magnetic on-off switch.
- Rugged body and dent-proof anti-roll steel grill that stands up to physical shocks.
- Includes a high-quality 4M flexible XLR-Jack cable.
- Supplied with a 180 deg swivel break-resistant clamp-type stand adapter and a soft zipped storage pouch.
